The management was facing acute shortage of staff especially in D.G. Khan, Mirpur (A.K.) and Quetta Zones. Due to Law and Order situation in these areas, the officers / officials were reluctant to serve in these areas and the officers / officials posted in those zones were trying to get transferred to safest zones. This is the reason; it became quite difficult to carry out routine operational activities in these zones and management had no other option except to launch an Incentive Scheme for Quetta, D.G. Khan and Mirpur, A.K. Zones. The Marketing Division devised a "Incentive Promotion / up gradation Scheme" for staff on their posting in above mentioned zones. The officials having Masters Degree and thirteen years experience in State Life Insurance Corporation of Pakistan were offered promotion / up gradation as Executive Officer /Assistant Manager subject to clearance of written test and interview. The successful candidates were required to serve three years at their place of posting after elevation /up gradation. The said scheme was approved by the Chairman.</p> <p>In order to resolve the issue of decrease in pay after Incentive Promotion / Up gradation, meeting of a Committee comprising of G.M. (P&GS), G.M. (Audit), G.M. (F&A) and G.M. (LAD) was convened and they recommended that the promoted /up graded officials may be given "Incentive Promotion /Up – Gradation Allowance" equivalent to the amount that decrease from their pay after promotion / up gradation as Executive Officers.</p> <p>The matter was placed before HR Committee for approval to allow "Incentive Promotion /Up – gradation Allowance" to officers mentioned above equivalent to amount that has been decreased from their pay in consequence of the Incentive Promotion /Up gradation</p> <p><u>RESOLVED:</u></p> <p>"that the recommendation of the HR Committee of regretting the proposal was approved."</p> <p><u>(H) CREATION OF TWO POSTS AS PRO</u></p> <p>A memorandum of Executive Director (P&GS) regarding creation of two posts as PRO was submitted.</p> <p>Currently, the Corporation has no such designated position as PRO available in the present hierarchy of the Corporation and according to regulation No. 6 of the State Life Employees (Service) Regulations 1973, the Board of Directors is competent to create permanent posts. It is therefore proposed that two posts with the nomenclature of PRO with pay & other benefits equivalent to Executive Officers may be created, which will be filled by observing all codal formalities.</p> <p>The Human Resources Committee deferred the proposal.</p>

GM(RE) informed the Board that two residential properties out of 9 at Lahore have been transferred in the name of State Life Insurance Corporation of Pakistan. The process was stalled since promulgation of LINO in 1972 due to non availability of relevant records and linkage of land title. After hectic efforts of RED, the decade old documents of properties at 24-C and 66-D at Gulberg, Lahore were located and presented in LDA. After pro active pursuance by RED, LDA finally transferred these two properties. There is still one more property not transferred due to non availability of records with SLIC. Efforts are in hand to trace the record and get the land transfer in State Life name on the basis of PTA and utility connections. Out of the other six properties at Lahore, Building No.2 and 4 document records have been traced by RED from old records of EDO Settlement Division and both the properties are at advance stage of transfer to State Life. Records of Building No. 6 and 7 have been traced. Building No.1 is under litigation. <p>ITEM (5) STATE LIFE'S LIFE INSURANCE BUSINESS IN SAUDI ARABIA.</p> <p>32. Executive Director(Marketing/Group & Pension) presented before the Board, a Memorandum on the current status of State Life's Life Insurance Business in Saudi Arabia.</p> <p>33. The Board was informed that State Life Insurance Corporation of Pakistan started its operation of life insurance business in the Kingdom of Saudi Arabia w.e.f. June 1, 1994 and has since been carrying out on its insurance business through sponsor under contract.</p> <p>34. State Life had last entered into an agreement with M/s. New Home Establishment, Riyadh, Kingdom of Saudi Arabia as sponsor on 28-05-2001 for a period of three years effective from 01-07-2001 for performance of the services. After the expiry of the agreement on 30-06-2004, the sponsorship agreement was renewed with M/s. New Home Establishment, Riyadh Kingdom of Saudi Arabia represented by its Director General Dr. Abdul Hamed Abdul Aziz Khan for a further period of three years.</p> <p>35. Subsequent to the expiry of the forecasted agreement on 30-06-2007, it was agreed to renew the agreement on the existing terms and conditions for another period of three years. This agreement is currently on and the instalments are regularly being paid to Dr. Abdul Hamed Abdul Aziz Khan, Director General, M/s. New Home Establishment, Riyadh, Kingdom of Saudi Arabia. It is pertinent to point out that the agreement executed in the years, 2001 and 2004 were duly signed by the representatives of the State Life and Dr. Abdul Hameed Abdul Aziz Khan, Director General, M/s. New Home Establishment, Riyadh, Kingdom of Saudi Arabia. Whereas the agreement effective from 01-07-2007 between the State Life and Dr. Abdul Hameed Abdul Aziz Khan could not be executed and signed mainly on account of the fact that Saudi Arabian Monetary Agency (SAMA), a regulatory body for financial and non banking financial institutions including insurance companies has enforced very strict and a comprehensive legal regime for insurance business in the Kingdom. Hence under Saudi law and SAMA regulations, the arrangements between State Life and Dr. Abdul Hameed Abdul Aziz Khan became void in the eyes of law, or in plain words State Life is no longer in a position to do its insurance business legally in the Kingdom of Saudi Arabia.</p> <p>36. According to survey, out of the total Saudi population of 28 million, over 07 million are expatriates, of which 1.7 million are Pakistanis. Saudi contribution in the Gulf operation of SLIC is substantial. Out of 11,000 plus policies, over 5,500 policies are from Saudi Arabia denominated in US Dollars.</p> <p>37. With the introduction of Cooperative Insurance Company Law in the Kingdom of Saudi Arabia, it is mandatory for the companies undertaking insurance business in the Kingdom to have a paid up capital of Saudi Arabian Riyal (SAR) 100 million. Out of 100 million SAR; foreign company is restricted to only 30%, Saudi investor compulsorily to be engaged with 30% and remaining 40% is IPO (Initial Public Offering).</p>

<p>38. Ever since Saudi Government introduced regulatory frame work to regulate insurance business, State Life has been endeavoring to find a partner to go into Saudi market, for SLIC simply cannot walk away from lucrative Saudi part of Gulf operation leaving over 5,500 policyholders in lurch.</p> <p>39. The Warba Insurance Company, our sponsor in Kuwait, in partnership with Ritaj Takaful Insurance has decided to establish a new Insurance Company (Albayraq Cooperative Insurance Company) with a share capital of SAR 200 million. They have agreed to offer 10% of paid up capital to State Life Insurance Company of Pakistan.</p> <p>40. State Life has also talked to Khalid Jufail of Saudi Arabia, who offered only 01% of paid up capital in the new company.</p> <p>41. Jedwah. The company has capital market authority licenses for brokerage, asset management, custody and arranging and advising. M/s. Jedwah offered to contribute 30% paid up capital of the new company as Saudi investor. In addition they also offered management control of the company.</p> <p>42. SAMA regulations allow life insurers to do general insurance business as well. Keeping provision in view, State Life also explored possibilities to find a partner in general insurance companies. National Insurance Company (NIC) was approached by State Life, which regretted owing to paucity of funds. Subsequently, Askari Insurance and Pak Kuwait Takaful Company were contacted. They did not show interest.</p> <p>43. IGI General Insurance has agreed and number of meetings has been held so far; the last one was also attended by the President of UBL. IGI has agreed in principle to go along with the State Life and will contribute 15% of the paid up capital in the new company. UBL will act as Financial Advisor and interalia will identify well established financial institutions beside Jedwah, and do all documentation as are necessary for obtaining regulatory approval. In addition, underwriting of the IPO and fulfillment of listing requirements etc. will be done by UBL.</p> <p>44. UBL has demanded a fee of Pak Rupee 08 million. The payment will be made in phases and shared between the State Life and IGI as 50:50. Copy of the letter from UBL was placed at Annexure-B to the Memorandum.</p> <p>45. The position is placed before the Board to consider establishing a company in the Kingdom of Saudi Arabia with IGI and appoint UBL as Financial Advisor as deemed appropriate.</p> <p>46. Action: DH(Inv)	<p>58. The Investment Division recommended that in view of strong financial of the issuer, i.e. Pakistan National Shipping Corporation, and strong credit rating by PACRA i.e. AA-, which suggests very strong capacity for timely payment of financial commitments, State Life may consider investing Rs. 500 million, which is lower than 10% of issue size, in proposed PPTFC. However, disbursement of fund would be subject to meeting conditions precedents by the issuer.</p>
