IB.13 Bid Security

- 13.1 Each bidder shall furnish, as part of his bid, a Bid Security as stipulated in the Bidding Data in Pak Rupees in the form of pay-order/demand draft in favor of employer. Original bid security shall be submitted with Employer on or before closing time of bid. Its E-copy shall be uploaded with tender on E-Pads.
- 13.2 Any bid not accompanied by an acceptable Bid Security shall be rejected by the Employer as non-responsive.
- 13.3 The bid securities of unsuccessful bidders will be returned after award of work to successful bidder.
- 13.4 The Bid Security of the successful bidder will be returned when the bidder has furnished the required performance security and signed the Contractor Agreement.
- 13.5 The Bid Security may be forfeited:
 - a. if the bidder withdraws his bid during the period of bid validity or
 - b. if the bidder does not accept the correction of his Bid Price pursuant to Sub-Clause 25.2 hereof; or
 - c. In the case of successful bidder, if he fails within the specified time limit to:
 - i. Furnish the required performance security.
 - ii. Sign the Contract Agreement in accordance with sub-clause IB.31.1.

IB.14 Bid Validity

- 14.1 Bids shall remain valid for the period stipulated in the Bidding Data after the Date of Bid Opening.
- 14.2 In exceptional circumstances, prior to expiry of the original bid validity period, the Employer may request that the bidders extend the period of validity for a specified additional period which shall in no case be more than the original bid validity period. The request and the responses thereto shall be made in writing.

A bidder may refuse the request without forfeiting his Bid Security. A bidder agreeing to the request will not be required or permitted to modify his bid.

IB.16 Format and Signing of Bid

- 16.1 Bidders are particularly directed that the amount entered on the Form of Bid

shall be for performing the Contract strictly in accordance with the Bidding Documents.

- 16.2 All appendices / schedules to Bid are to be properly completed and signed.
- 16.3 No alteration is to be made in the Form of Bid nor in the Appendices thereto except in filling up the blanks as directed. If any such alterations be made or if these instructions be not fully complied with, the bid may be rejected.
- 16.4 Each bidder shall prepare by filling out the forms completely and without alterations one (1) original copy, specified in the Bidding Data, of the documents comprising the bid as described in Clause IB.6.
- 16.5 The original copy of the bid shall be typed or written in indelible ink and shall be signed by a person or persons duly authorized to sign on behalf of the bidder. All pages of the bid shall be initialed and stamped by the person or persons signing the bid.

B.18 Deadline for Submission of Bids

- 18.1 Bids must be uploaded on E-Pads no later than the time and date stipulated in the Bidding Data.

IB.19 Late Bids

- 19.1 Any bid received by the Employer after the deadline for submission of bids prescribed in Bidding Data will be returned unopened to such bidder.

IB.20 Modification, and Withdrawal of Bids

- 20.1 Any bidder may modify or withdraw his bid after bid submission provided that the modification or written notice of withdrawal is received by the Employer prior to the deadline for submission of bids.
- 20.2 Withdrawal of a bid during the interval between the deadline for submission of bids and the expiration of the period of bid validity specified in the Form of Bid may result in forfeiture of the Bid Security in pursuance to Clause IB.13.5 (a).

IB.22 Process to be Confidential

- 22.1 Information relating to the examination, clarification, evaluation and comparison of bid and recommendations for the award of a contract shall not be disclosed to bidders or any other person not officially concerned with such process before the announcement of bid evaluation report which shall be done at least fifteen (15) days prior to issue of Letter of Acceptance. The announcement to all Bidders will include table(s) comprising read out prices, discounted prices, price adjustments made, final evaluated prices and recommendations against all the bids evaluated. Any effort by a bidder to influence the Employer's processing of bids or award decisions may result in the rejection of such bidder's bid. Whereas any bidder feeling aggrieved may lodge a written complaint not later than fifteen (15) days after the announcement of the bid evaluation report; however mere fact of lodging a complaint shall not warrant suspension of the procurement process

IB.23 Clarification of Bids

- 23.1 To assist in the examination, evaluation and comparison of bids, the Employer may, at his discretion, ask any bidder for clarification of his bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing but no change in the price or substance of the bid shall be sought, offered or permitted.

IB.24 Examination of Bids and Determination of Responsiveness

- 24.1 Prior to the detailed evaluation of bids, the Employer will determine whether each bid is substantially responsive to the requirements of the Bidding Documents.
- 24.2 A substantially responsive bid is one which (i) meets the eligibility criteria; (ii) has been properly signed; (iii) is accompanied by the required Bid Security; and (iv) conforms to all the terms, conditions and specifications of the Bidding Documents, without material deviation or reservation. A material deviation or reservation is one (i) which affect in any substantial way the scope, quality or performance of the Works; (ii) which limits in any substantial way, inconsistent with the Bidding Documents, the Employer's rights or the bidder's obligations under the Contract; or (iii) adoption/rectification whereof would affect unfairly the competitive position of other bidders presenting substantially responsive bids.
- 24.3 If a bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.

IB.25 Correction of Errors

- 25.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Errors will be corrected by the Employer as follows:
- (a) where there is a discrepancy between the amounts in figures and in words, the amount in words will govern; and

- (b) where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern, unless in the opinion of the Employer there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rate will be corrected.
- 25.2 The amount stated in the Form of Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and with the concurrence of the bidder, shall be considered as binding upon the bidder. If the bidder does not accept the corrected Bid Price, his Bid will be rejected, and the Bid Security shall be forfeited in accordance with Sub- Clause 13.5.(b) hereof.

IB.26 Evaluation and Comparison of Bids

- 26.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause IB.24.
- 26.2 In evaluating the Bids, the Employer will determine for each Bid the evaluated Bid Price by adjusting the Bid Price as follows:
- (a) Making any correction for errors pursuant to Clause IB.25.
 - (b) Making an appropriate adjustment for any other acceptable variation or deviation.
- 26.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in Bid evaluation.
- 26.4 If the Bid of the successful bidder is seriously unbalanced in relation to the Employer's estimate of the cost of work to be performed under the Contract, the Employer may require the bidder to produce detailed price analyses for any or all items of the Bill of Quantities to demonstrate the internal consistency of those prices with the construction methods and schedule proposed.

F. AWARD OF CONTRACT

IB.27 Award

- 27.1. Subject to Clauses IB.28 the Employer will award the Contract to the bidder whose bid has been determined to be substantially responsive to the Bidding Documents and who has offered the lowest evaluated Bid Price, provided that such bidder has been determined to be eligible in accordance with the provisions of Clause IB.3 and qualify pursuant to Sub-Clause IB. 27.2.
- 27.2 The Employer, at any stage of the bid evaluation, having credible reasons for or *prima facie* evidence of any defect in contractor's capacities, may require the contractors to provide information concerning their professional, technical, financial, legal or managerial competence whether already pre-qualified or not:
- Provided that such qualification shall only be laid down after recording reasons therefor in writing. They shall form part of the records of that bid evaluation report.

IB.28 Employer's Right to Accept any Bid and to Reject any or all Bids

- 28.1 Notwithstanding Clause IB.27 the Employer reserves the right to accept or

reject any Bid, and to annul the bidding process and reject all bids, at any time prior to award of Contract, without thereby incurring any liability to the affected bidders or any obligation except that the grounds for rejection of all bids shall upon request be communicated to any bidder who submitted a bid, without justification of grounds. Rejection of all bids shall be notified to all bidders promptly.

IB.29 Notification of Award

- 29.1 Prior to expiration of the period of bid validity prescribed by the Employer, the Employer will notify the successful bidder in writing ("Letter of Acceptance") that his Bid has been accepted.

IB.30 Performance Security

- 30.1 The successful bidder shall furnish to the Employer a Performance Security in the form and the amount stipulated in the Contract Data and the Conditions of Contract within a period of 03 days after the receipt of Letter of Acceptance.
- 30.2 Failure of the successful bidder to comply with the requirements of Sub-Clause IB.30.1 or Clauses IB.31.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security.

IB.31 Signing of Contract Agreement

- 31.1 The formal Agreement between the Employer and the successful bidder shall be executed within 3 days from the date of furnishing of acceptable performance security under the Conditions of Contract.

Contract Documents:

3.1 Priority of Contract Documents

The several documents forming the Contract are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies the same shall be explained and adjusted by the Engineer who shall thereupon issue to the Contractor instructions thereon and in such event, unless otherwise provided in the Contract, the priority of the documents forming the Contract shall be as follows:

1. The Contract Agreement (if completed);
2. The Letter of Acceptance;
3. The Tender;
4. Conditions of Contract.
5. Any other document forming part of the Contract.

General Obligations:

4.1 Contractor's General Responsibilities

The Contractor shall, with due care and diligence, design (to the extent provided for by the Contract), execute and complete the Works and remedy any defects therein in accordance with the provisions of the Contract. The Contractor shall provide all superintendence, labour, material, Plant, Contractor's Equipment and all other things, whether of a temporary or permanent nature, required in and for such design, execution, completion and remedying of any defects, so far as the necessity for providing the same is specified in or is reasonably to be inferred from the Contract. Contractor shall be responsible to get security clearance / permission form respective administration / agencies for execution of works.

4.2 Site Operations and Methods of Construction

The Contractor shall take full responsibility for the adequacy, stability and safety of all Site operations and methods of construction. Provided that the Contractor shall not be responsible (except as stated hereunder or as may be otherwise agreed) for the design or specification of Permanent Works, or for the design or specification of any Temporary Works not prepared by the Contractor. Where the Contract expressly provides that part of the Permanent Works shall be designed by the Contractor, he shall be fully responsible for that part of such Works, notwithstanding any approval by the Engineer.

4.3 Performance Security

The Contractor shall provide Performance Security to the Employer in the prescribed form. The said Security shall be furnished or caused to be furnished by the Contractor within 03 days after the receipt of the Letter of Acceptance. The Performance Security shall be of an amount equal to **10% of the Contract Price** stated in the Letter of Acceptance. Such Security shall, at the option of the bidder, be in the form of either (a) bank guarantee from any Scheduled Bank in Pakistan or (b) bank guarantee from a bank located outside Pakistan duly counter-guaranteed by a Scheduled Bank in Pakistan or an Insurance Company.

4.4 Period of Validity of Performance Security

The performance security shall be valid until the Contractor has executed and completed the Works and remedied any defects therein in accordance with the Contract. No claim shall be made against such security after the issue of the Defects Liability Certificate in accordance with Sub-Clause 12.2 and such security shall be returned to the Contractor within 14 days of the issue of the said Defects Liability Certificate.

4.5 Claims under Performance Security

Prior to making a claim under the performance security the Employer shall, in every case, notify the Contractor stating the nature of the default in respect of which the claim is to be made.

5.1 Program to be Submitted

The Contractor shall, submit to the Employer for his consent a program, in such form and detail as the Employer shall reasonably prescribe, for the execution of the Works. The Contractor shall, whenever required by the Employer also provide in writing for his information a general description of the arrangements and methods which the Contractor proposes to adopt for the execution of the Works.

5.2 Revised Program

If at any time it should appear to the Employer that the actual progress of the Works does not conform to the program to which consent has been given under Sub-Clause 5.1, the Contractor shall produce, at the request of the Employer, a revised program showing the modifications to such program necessary to ensure completion of the Works within the Time for Completion.

5.3 Work to be in Accordance with Contract

Unless it is legally or physically impossible, the Contractor shall execute and complete the Works and remedy any defects therein in strict accordance with the Contract to the satisfaction of the Employer. The Contractor shall comply with and adhere strictly to the Employer's instructions on any matter, whether mentioned in the Contract or not, touching or concerning the Works. The Contractor shall take instructions only from the Employer (or his delegate).

6.1 Contractor's Employees

The Contractor shall provide on the Site in connection with the execution and completion of the Works and the remedying of any defects therein:

- (a) only such technical assistants as are skilled and experienced in their respective callings and such foremen and leading hands as are competent to give proper superintendence of the Works, and
- (b) such skilled, semi-skilled and unskilled labor as is necessary for the proper and timely fulfilling of the Contractor's obligations under the Contract.

6.2 Engineer at Liberty to Object

The Employer shall be at liberty to object to and require the Contractor to remove forthwith from the Works any person provided by the Contractor who, in the opinion of the Employer, misconducts himself, or is incompetent or negligent in the proper

performance of his duties, or whose presence on Site is otherwise considered by the Engineer to be undesirable, and such person shall not be again allowed upon the Works without the consent of the Employer. Any person so removed from the Works shall be replaced as soon as possible.

6.3 Care of Works

The Contractor shall take full responsibility for the care of the Works and materials and Plant for incorporation therein from the Commencement Date until the date of issue of the Taking-Over Certificate for the whole of the Works, when the responsibility for the said care shall pass to the Employer.

6.4 Responsibility to Rectify Loss or Damage

If any loss or damage happens to the Works, or any part thereof, or materials or Plant for incorporation therein, during the period for which the Contractor is responsible for the care thereof, from any cause whatsoever, other than the risks defined in Sub-Clause 7.1, the Contractor shall, at his own cost, rectify such loss or damage so that the Permanent Works conform in every respect with the provisions of the Contract to the satisfaction of the Employer. The Contractor shall also be liable for any loss or damage to the Works occasioned by him in the course of any operations carried out by him for the purpose of complying with his obligations under Clauses 13 and 16.

7.1 Employer's Risks

The Employer's risks are:

- a. War, hostilities (whether war be declared or not), invasion, act of foreign enemies,
- b. Rebellion, revolution, insurrection, or military or usurped power, or civil war,
- c. Ionizing radiations, or contamination by radio-activity from any nuclear fuel, or from any nuclear waste from the combustion of nuclear fuel, radio-active toxic explosive, or other hazardous properties of any explosive nuclear assembly or nuclear component thereof,
- d. Pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds,
- e. Riot, commotion or disorder, unless solely restricted to employees of the Contractor or of his Subcontractor and arising from the conduct of the Works,
- f. Any operation of the forces of nature against which an experienced contractor could not reasonably have been expected to take precautions.

8.1 Clearance of Site on Completion

Upon the issue of any Taking-Over Certificate the Contractor shall clear away and remove from that part of the Site to which such Taking-Over Certificate relates all Contractor's Equipment, surplus materials, rubbish and Temporary Works of every kind, and leave such part of the Site and Works clean and in a workmanlike condition to the satisfaction of the Employer. Provided that the Contractor shall be entitled to retain on Site, until the end of the Defects Liability Period, such materials, Contractor's Equipment and Temporary Works as are required by him for the

purpose of fulfilling his obligations during the Defects Liability Period.

Materials, Plant and Workmanship:

9.1 Quality of Materials, Plant and Workmanship

All materials, Plant and workmanship shall be:

- a. of the respective kinds described in the Contract and in accordance with the Employer's instructions, and

9.2 Cost of Samples

All samples shall be supplied by the Contractor at his own cost if the supply thereof is clearly intended by or provided for in the Contract.

Suspension:

10.1 Suspension of Work

The Contractor shall, on the instructions of the Engineer, suspend the progress of the Works or any part thereof for such time and in such manner as the Engineer may consider necessary and shall, during such suspension, properly protect and secure the Works so far as is necessary in the opinion of the Engineer. Unless such suspension is:

- a. otherwise provided for in the Contract,
- b. necessary by reason of some default of or breach of contract by the Contractor or for which he is responsible,
- c. necessary by reason of climatic conditions of the Site, or
- d. necessary for the proper execution of the Works or for the safety of the Works or any part thereof (save to the extent that such necessity arises from any act or default by the Engineer or the Employer or from any of the risks defined in Sub-Clause 7.1),

10.2 Engineer's Determination following Suspension

Where, pursuant to Sub-Clause 10.1, this Sub-Clause applies the Engineer shall, after due consultation with the Employer and the Contractor, determine:

- a. any extension of time to which the Contractor is entitled under Clause 11.3, and
- b. the amount, which shall be added to the Contract Price, in respect of the cost incurred by the Contractor by reason of such suspension,

10.3 Suspension lasting more than 84 Days

If the progress of the Works or any part thereof is suspended on the written instructions of the Engineer and if permission to resume work is not given by the Engineer within a period for 84 days from the date of suspension then, unless such suspension is within paragraph (a), (b), (c) or (d) of Sub-Clause 10.1, the Contractor may give notice to the Engineer requiring permission, within 28 days from the receipt thereof, to proceed with the Works or that part thereof in regard to which progress is suspended. If, within the said time, such permission is not granted, the Contractor may by giving a further notice to the Engineer to that effect, treat the suspension as an event of default by the Employer and terminates his employment under the Contract in accordance with the provisions of Sub-Clause 18.1.

Commencement and Delays:

11.1 Commencement of Works

The Contractor shall commence the Works as soon as is reasonably possible within the time stated in Contract Data.

11.2 Time for Completion

The whole of the Works shall be completed in accordance with the provisions of Clause 11.6, within the time stated in the Contract Data calculated from the Commencement Date, or such extended time as may be allowed under Clause 10.

11.3 Extension of Time for Completion

In the event of:

- a. The amount or nature of extra or additional work,
- b. Any cause of delay referred to in these Conditions,
- c. Exceptionally adverse climatic conditions,
- d. Any delay, impediment or prevention by the Employer, or
- e. Other special circumstances which may occur, other than through a default of or breach of contract by the Contractor or for which he is responsible, being such as fairly to entitle the Contractor to an extension of the Time for Completion of the Works, or any Section or part thereof, the Employer shall, after due consultation with the Contractor, determine the amount of such extension and shall notify the Contractor accordingly.

11.4 Contractor to Provide Notification and Detailed Particulars

Provided that the Employer is not bound to make any determination unless the Contractor has

The Contractor shall notify the Employer in writing as soon as he is aware of any circumstance which may delay or disrupt the Works, or which may give rise to a claim for additional payment.

To the extent of the Contractor's failure to notify, which results to the Employer being unable to keep all relevant records or not taking steps to minimize any delay, disruption, or Cost, or the value of any Variation, the Contractor's entitlement to extension of the time for Completion or additions payment shall be reduced / rejected.

11.5 Liquidated Damages for Delay

If the Contractor fails to comply with the Time for Completion in accordance with Clause 11.2, for the whole of the Works then the Contractor shall pay to the Employer the relevant sum stated in the Contract Data as liquidated damages for such default for every day or part of a day which shall elapse between the relevant Time for Completion and the date stated in a Taking-Over Certificate of the whole of the Works or the relevant Section, subject to the applicable limit stated in the Contract Data. The Employer may, without prejudice to any other method of recovery, deduct the amount of such damages from any monies due or to become due to the Contractor. The payment or deduction of such damages shall not relieve the Contractor from his obligation to complete the Works, or from any other of his

obligations and liabilities under the Contract.

11.6 Taking-Over Certificate

When the whole of the Works have been completed and have satisfactorily passed any Tests on Completion prescribed by the Contract, the Contractor may give a notice to that effect to the Employer. The Employer shall within 14 days of the date of delivery of such notice, either issue to the Contractor, a Taking-Over Certificate, stating the date on which, in his opinion, the Works were completed in accordance with the Contract, or give instructions in writing to the Contractor specifying all the work which, in the Employer opinion, is required to be done by the Contractor before the issue of such Certificate. The Employer shall also notify the Contractor of any defects in the Works affecting completion that may appear after such instructions and before completion of the Works specified therein.

Defects Liability:

12.1 Defects Liability Period

In these Conditions the expression "Defects Liability Period" shall mean the defects liability period named in the Contract Data, calculated from:

(a) the date of completion of the Works certified by the Employer/Engineer in accordance with Clause 11.6.

12.2 Remedying Defects

The Contractor shall for a period stated in the Contract Documents from the date of issue of the Certificate of Completion carry out, at no cost to the Employer, repair and rectification work which is necessitated by the earlier execution of poor quality of work or use of below specifications material in the execution of Works and which is so identified by the Employer in writing within the said period. Upon expiry of the said period, and subject to the Contractor's faithfully performing his aforesaid obligation, the Employer shall issue a Maintenance Certificate whereupon all obligations of the Contractor under this Contract shall come to an end.

Failure to remedy any such defects of complete outstanding work within a reasonable time shall entitle the Employer to carry out all necessary works at the Contractor's cost. However, the cost of remedying defects not attributable to the Contractor shall be valued as a Variation.

Variations:

13.1 Right to Vary

The Employer may issue Variation Order(s) in writing. Where for any reason it has not been possible for the Employer to issue such Variations Order(s), the Contractor may confirm any verbal orders given by the Employer in writing and if the same are not refuted/denied by the Employer within ten (10) days of the receipt of such confirmation the same shall be deemed to be a Variation Orders for the purposes of this Sub-Clause.

13.2 Valuation of Variations

Variations shall be valued as follows:

- a. At a lump sum price agreed between the Parties, or
- b. Where appropriate, at rates in the Contract, or
- c. In the absence of appropriate rates, the rates in the Contract shall be used as The basis for valuation, or failing which
- d. At appropriate new rates, as may be agreed or which the Employer considers appropriate.

13.3 Early Warning

The Contractor shall notify the Employer in writing as soon as he is aware of any circumstance which may delay or disrupt the Works, or which may give rise to a claim for additional payment.

To the extent of the Contractor's failure to notify, which results to the Engineer/Employer being unable to keep all relevant records or not taking steps to minimize any delay, disruption, or Cost, or the value of any Variation, the Contractor's entitlement to extension of the Time for Completion or additional payment shall be reduced/rejected.

Procedure for Claims:

14.1 Notice of Claims

Notwithstanding any other provision of the Contract, if the Contractor intends to claim any additional payment pursuant to any Clause of these Conditions or otherwise, he shall give notice of his intention to the Engineer with a copy to the Employer, within 28 days after the event giving rise to the claim has first arisen.

14.2 Contemporary Records

Upon the happening of the event referred to in Sub-Clause 14.1, the Contractor shall keep such contemporary records as may reasonably be necessary to support any claim he may subsequently wish to make. Without necessarily admitting the Employer's liability, the Engineer shall, on receipt of a notice under Sub-Clause 14.1, inspect such contemporary records and may instruct the Contractor to keep any further contemporary records as are reasonable and may be material to the claim of which notice has been given. The Contractor shall permit the Engineer to inspect all records kept pursuant to this Sub-Clause and shall supply him with copies thereof as and when the Engineer so instructs.

14.3 Substantiation of Claims

Within 28 days, or such other reasonable time as may be agreed by the Engineer, of giving notice under Sub-Clause 14.1, the Contractor shall send to the Engineer an account giving detailed particulars of the amount claimed and the grounds upon which the claim is based. Where the event giving rise to the claim has a continuing effect, such account shall be considered to be an interim account and the Contractor shall, at such intervals as the Engineer may reasonably require, send further interim accounts giving the accumulated amount of the claim and any further grounds upon which it is based. In cases where interim accounts are sent to the Engineer, the

Contractor shall send a final account within 28 days of the end of the effects resulting from the event. The Contractor shall, if required by the Engineer so to do, copy to the Employer all accounts sent to the Engineer pursuant to this Sub-Clause.

14.4 Failure to Comply

If the Contractor fails to comply with any of the provisions of this Clause in respect of any claim which he seeks to make, his entitlement to payment in respect thereof shall not exceed such amount as the Engineer or any arbitrator or arbitrators appointed pursuant to Sub-Clause 21.1 assessing the claim considers to be verified by contemporary records (whether or not such records were brought to the Engineer's notice as required under Sub-Clause 14.2 and 14.3).

14.5 Payment of Claims

The Contractor shall be entitled to have included in any interim payment certified by the Engineer pursuant to Clause 17.1 such amount in respect of any claim as the Engineer, after due consultation with the Employer and the Contractor, may consider due to the Contractor provided that the Contractor has supplied sufficient particulars to enable the Engineer to determine the amount due. If such particulars are insufficient to substantiate the whole of the claim, the Contractor shall be entitled to payment in respect of such part of the claim as such particulars may substantiate to the satisfaction of the Engineer. The Engineer shall notify the Contractor of any determination made under this Sub-Clause, with a copy to the Employer.

15.1 Measurements

The quantities set out in the Bill of Quantities are the estimated quantities for the Works, and they are not to be taken as the actual and correct quantities of the Works to be executed by the Contractor in fulfillment of his obligations under the Contract.

16.1 Defects Liability Certificate

The Contract shall not be considered as completed until a Defects Liability Certificate shall have been signed by the Engineer and delivered to the Employer, with a copy to the Contractor, stating the date on which the Contractor shall have completed his obligations to execute and complete the Works and remedy any defects therein to the Engineer's satisfaction. The Defects Liability Certificate shall be given by the Engineer within 28 days after the expiration of the Defects Liability Period or as soon thereafter as any works instructed, pursuant to Clause – 12.1 and 12.2 have been completed to the satisfaction of the Engineer.

Certificates and Payment:

17.1 Terms of Payments

The amount due to the Contractor under any Interim Payment be paid by the Employer to the Contractor within 25 days after such Interim Payment has been jointly verified by Employer and Contractor, or, in the case of the Final Certificate, within 30 days after such Final Payment Certificate has been jointly verified by Employer and Contractor.

17.2 Payment of Retention Money

Retention money shall be paid by the Employer to the Contractor after satisfactory completion of Defect liability period.

Remedies:

18.1 Default by Contractor

If the Contractor abandons the Works, refuses or fails to comply with a valid instruction of the Employer or fails to proceed expeditiously and without delay, or is, despite a written complaint, in breach of the Contract, the Employer may give notice referring to this Sub-Clause and stating the default.

If the Contractor has not taken all practicable steps to remedy the default within fourteen (14) days after receipt of the Employer's notice, the Employer may by a second notice given within a further twenty one (21) days, terminate the Contract. The Contractor shall then demobilize from the Site leaving behind any Contractor's Equipment which the Employer instructs, in the second notice, to be used for the completion of the Works at the risk and cost of the Contractor.

18.2 Default by Employer

If the Employer fails to pay in accordance with the Contract, or is, despite a written complaint, in breach of the Contract, the Contractor may give notice referring to this Sub-Clause and stating the default. If the default is not remedied within fourteen (14) days after the Employer's receipt of this notice, the Contractor may suspend the execution of all or parts of the Works.

If the default is not remedied within twenty eight (28) days after the Employer's receipt of the Contractor's notice, the Contractor may by a second notice given within a further twenty one (21) days, terminate the Contract. The Contractor shall then demobilize from the Site.

Insurance:

19.1 Third Party Insurance

The contractor shall insure against liabilities for death of or injury to any person (including any employee of employer or contractor) are loss of damage to any property of employer arising out of or in consequence of the execution and completion of the works of the contract and the remedying of any defects therein, other than exceptions defined in Clause 7.1.

19.2 Minimum Amount of Insurance

Such insurance shall be for at least the amount stated in contract Data.

20.1 Force Majeure

If Force Majeure occurs, the Contractor shall notify the Engineer/Employer immediately. If necessary, the Contractor may suspend the execution of the Works and, to the extent agreed with the Employer demobilize the Contractor's Equipment.

If the event continues for a period of eighty four (84) days, either Party may then give notice of termination which shall take effect twenty eight (28) days after the giving of the notice.

After termination, the Contractor shall be entitled to payment of the unpaid balance of the value of the Works executed.

21.1 Arbitration

A dispute which has been the subject of a notice of dissatisfaction shall be finally settled as per provisions of Arbitration Act 1940 (Act No. X of 1940) and Rules made thereunder and any statutory modifications thereto. Any hearing shall be held at Karachi in English Language.
