Hiring the services of TPA for Bancassurance Business –Dec 2025

STATE LIFE
INSURANCE CORPORATION OF PAKISTAN

TENDER DOCUMENT

1. Introduction

The State Life Insurance Corporation of Pakistan is the largest life insurance institution in Pakistan providing life and group insurance protection to over 6 million people. Even after the introduction of private insurance companies, State Life still enjoys the lion's share of the Pakistan life insurance industry.

In 2015 apart from conventional sales of life insurance, State Life had diverted its sales of life insurance business through banks and a Bancassurance Division was established with the approval of Board of Directors. Purpose for creation of Bancassurance Division is to penetrate into the untapped Insurance market and to acquire the business through banks. Bancassurance is the provision of insurance and banking products as well as services via banks' distribution networks to the same client base.

Since the inception of Bancassurance business, State Life Insurance Corporation (SLIC) has outsourced its administration of life insurance sales "Front and Back Office Operations" to third party entity, who will act as TPA's (third party administration services provider). However, SLIC Bancassurance Division team will coordinate and regulate the business.

Bancassurance Business State Life intends to appoint Third Party Administrator (TPA) for continuity with growth for Bancassurance/**Banca Takaful** Business (the contract will be signed for a period of three years on fixed rates, terms and conditions). Major scope of envisaged assignment will be:

1. Undertake complete execution of Bancassurance Business of State Life
2. Facilitate marketing and execution of all sets of Bancassurance business operations
3. Provide up & running IT System with sustainable support for complete Bancassurance Business suit which includes:
 - IT System Capability, Configuration and Access
 - Reporting, Data Backup and Security
 - Contact Centre Services for complaint & support

(Details regarding "Work Scope" can be reviewed in Section – 13 of this Tender Document)

Responding firms/TPA's are expected to undertake following major responsibilities:

- To assist the Banks/**Corporate Insurance Agents** to prepare marketing materials including but not limited to posters, leaflets, newspaper and magazine advertisements, as will be required to promote the Bancassurance/**Banca Takaful** Products and/or Insurance/**Takaful** Products.
- To ensure that the Bank/**Corporate Insurance Agent** has, at all times, adequate supplies of key information material, application forms, signature cards and any other key documents which

are required to be completed by Customers in relation to any of the Bancassurance/[Banca Takaful](#) Products and/or Insurance Products.

- To implement and maintain such agreed systems and procedures (including possible interfaces with computer systems) and to ensure that trained and qualified staff is made available to carry out obligations under this Agreement.
- To provide, without undue delays, any such additional information on the Bancassurance/[Banca Takaful](#) Products and/or Insurance Products which is reasonably required either by the Bank and/or the Customers, in such format as is required i.e. writing, email, phone or fax and to keep a copy of the said provided information on the Customers file for future reference.
- To acknowledge receipt, to the Customer and the Bank/[CIA](#), of any and all applications forms received in connection with the Bancassurance/[Banca Takaful](#) Products and/or [Insurance/Takaful Products](#) and review application forms for their completeness, without undue or unreasonable delay.
- That all data held by the Bank, in relation to its Customers, is the sole and exclusive property of the Bank; SLIC and the TPA shall not directly or indirectly in any manner, without the prior written approval of the Bank, solicit or send any marketing, promotional or publishing materials or otherwise contact the Customers save in connection with such of the Bancassurance Products and/or Insurance Products which have been purchased by the Customer during the term of this Agreement through the Specified Persons of the Bank and for a period of two (2) years from the date of termination of this Agreement.
- That the TPA shall, without undue delays, provide the Bank with any reasonable information it requires to carry out its obligations pursuant to this Agreement.
- To make all reasonable efforts to ensure remittance of the Premiums by the policyholders/Insured Customers within the stipulated time, by giving notice to the policyholder/Insured Customer in writing for Premium payment and shall also ensure that notices under section 93 of the Insurance Ordinance 2000 and Corporate Insurance Agents Regulation 2020 are sent to the Insured Customer through Bancassurance channel.
- Responding firm have to provide “Customer Contact Center Services” through a sizeable call centre round-the-clock on 24/7/365 basis. The major service to be delivered through standard contact center must include:
 - Call Agent Services for inbound calls
 - IVR services with [90](#)-days backup retention
 - After sale confirmation call services within free-look period
 - Outbound Business Conversations Calls

Potential bidders are required to bid for the above-mentioned services with consideration to carry out complete up & running business operation with systems & support including deployment of work force required to establish & run all Bancassurance/**Banca Takaful** Business related activities. The rates must be quoted on “**per year**” basis inclusive of all related expenses/charges.

Interested firms are hereby invited to submit a Technical Proposal along with a Financial Quote for required services. The proposal will be the prime basis for award of contract with the selected firm.

1.1 Preparation of Proposal

- (i) The financial proposals shall first be checked for any error of computation and arithmetic errors will be corrected.

- (ii) If a bidder does not accept the correction of errors, its bid will be rejected and its bid security may be forfeited.
- (iii) Responding firms are advised to submit their financial bid in Pak Rupee (Rs.). No bid in other currency will be entertained. Dollar parity is not acceptable in any case.
- (iv) Items and Services that are required but have been left out will be presumed included in the total cost and the successful bidder will be required to provide those items/services without any additional cost.
- (v) For the purpose of evaluation / comparison of bids, total lump sum cost will be considered.
- (vi) Financial cost (offered rates) of each responsive bidder shall be the basis of merit ranking of the Financial Proposal of the bid.
- (vii) Bidders have to submit Financial Proposal as per Sample Template provided as **Annexure – B.**

3.4 Technical Evaluation:

The technical evaluation of each item stated in section-1.2 will be held separately. Only those firms will be considered in the technical evaluation that have the required capabilities to meet the criteria specified to supply items listed and also technically qualify as per criteria and the judgment based on the obtained marks.

The Financial proposal of only technically qualified bidders will be opened. However, the lower financial bid will have a prime upshot in the award of contract.

The Decision of State Life Insurance Corporation of Pakistan will be binding on all concerned.

4. State Life's Right to Accept or Reject any or All Bids

- i. State Life reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the effected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for State Life's action as per PPRA rules.
- ii. State Life may at any time terminate the Contract by giving (03) month written notice to the bidder, if the bidder becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation, provided that such termination will not prejudice or affect any right of action or remedy, which has, accrued or will accrue thereafter to State Life.

- iii. If the bidder is unable to fulfill its obligations as mentioned in the work plan and withdraws from the project, State Life shall terminate the contract by issuing a written notice and shall not be responsible to pay off any liability incurred towards the bidder and forfeit the security deposit (bid bond amount).

5. Award Criteria

- a. State Life will award the contract to the successful bidder, whose proposal has been determined to be substantially responsive and has been determined to be the most advantageous bid after considering all factors and who meets the requisites of Schedule of Requirement (TOR/Scope of Work), provided further that the Bidder is determined to be qualified to perform the contract satisfactorily.
- b. State Life will notify through EPADS, the successful bidder of its intent to enter into a contract. The contract shall be executed only after all necessary management approvals have been obtained.
- c. In case of contradictory clauses submitted by the bidder, the terms & conditions of this tender document will prevail.

6. Delays in the Bidder's Performance

If at any time during performance of the Contract, the bidder encounters conditions impeding timely delivery of required items/equipment, the Bidder shall promptly notify State Life in writing of the fact of the delay, its likely duration and its cause(s). As soon as practicable after receipt of the Firm's notice, State Life shall evaluate the situation and may at its discretion extend the Firm's time for performance, with or without liquidated damages, in which case the extension shall be ratified by the parties by amendment of Contract.

7. Arbitration

Any disputes or differences arising out in connection with this assignment which cannot be amicably settled within 15 days between the State Life and the Bidder shall be resolved through arbitration/ PPRA rules.

8. Force Majeure

If either party is temporarily rendered unable, wholly or in part by Force Majeure to perform its duties or accept performance by the other party under the Contract it is agreed that on such party, giving notice with full particulars in writing of such Force Majeure to the other party within 14 (fourteen) days after the occurrence of the cause relied on, then the duties, of such party as far as they are affected by such Force Majeure shall be suspended during the continuance of any inability so caused but for no longer period and such cause shall as far as possible be removed with all reasonable speed. Neither party shall be responsible for delay caused by Force Majeure. The terms "Force Majeure" as used herein shall mean Acts of God, strikes, lockouts or other industrial

11. Support Services

Vendor is required to provide support services for entire term of contract. Support shall include the vendor to provide on-site support along with call center services for successful administration assignment. Supplier will be responsible for successful implementation and execution of Bancassurance business of State Life.

12. Work Scope

12.1 Introduction

- i. State Life Insurance Corporation of Pakistan ("SLIC") is the largest life insurance entity in Pakistan, distributing individual life insurance products largely through a direct sales force but also through banks (Bancassurance).
- ii. For most of its Bancassurance business, SLIC currently has a third-party administration agreement with a private company ("TPA") under which the administration of all bancassurance policies falling under the arrangement is done by the TPA using the TPA's own System. The TPA also provides SLIC assistance with contracting with banks, as well as access for both banks and SLIC to its systems for information and operational purposes.
- iii. SLIC is now inviting proposals to replace the existing TPA arrangement (although the existing TPA is also eligible to bid), for which it has prepared this Request for Proposal (RFP).
- iv. Details of what has to be provided by the TPA are given in three different sections:
 - a) System Capability, Configuration and Access
 - b) Third Party Administration Services
 - c) Reporting, Data Backup and Security
- v. The proposed duration of the services is three years from the date operations commence under the new arrangement. The duration may, at SLIC's discretion, be extended beyond the initial period on the same terms, provided this is acceptable to the prospective TPA.

13. System Capability, Access and Initial Services

- 13.1 An essential part of the arrangement will be the availability of a software application capable of administering the products SLIC wishes to issue, along with all the required infrastructure (hardware, operating systems, database management systems, reporting tools, etc) The prospective TPA will be required to demonstrate:
- Ownership of or availability of licenses to use the software intended to be used in providing the services.
 - Presence of adequate functionality in the software to administer the products which SLIC wishes to be administered;
